Shimmick Construction Company, Inc. is a Prime Contractor requesting bids from certified DBE/MBE/WBE/SBE firms. Subcontractors/Suppliers/Professional Service for the following project:

City of San Diego, Lakeside Valve Station Replacement BID No. K-23-2168-DBB-3-C
Bid Date & Time: April 13, 2023 @ 11:00AM
Quotes received after the above Bid Date & Time may be deemed non-responsive

FORM 4500-3 and the Debarment & Suspension Certification must be completed & submitted no later than close of business April 13, 2023.

SCOPE OF WORK: The project includes the replacement of an existing water valve station on an approximately 0.68-acre lot at 12450 Woodside Avenue with a new valve station. Removal of the existing valve station would consist of the demolition of five existing one-story accessory structures (garage, out building, caretakers house, pumping plant, & valve station) & existing asphalt concrete paving, concrete pad, & sidewalk; removal of existing landscaping & approximately five street trees, & removal of existing water pipe, valves & appurtenances. The new valve station would consist of a new 5,800 square-foot, one story structure, which would house an electrical room, mechanical room, & valves. The new adjacent workroom is approximately 760 square feet in area. The project would also include installation of underground water utilities, valves, & other water-related appurtenances, asphalt &concrete paving, sidewalks, landscaping & street trees, & a new valve station garage. In addition, the project will construct a backup generator which includes a permanent diesel-fueled generator on site for up to a 36-hour duration of emergency power generation.
