LOS ANGELES CITY COUNCILMEMBER, 1st DISTRICT

Proudly Presents

“Accessing City Contracting Opportunities”

Sponsored by the City of Los Angeles’
Contractor Development and Bonding Program
in partnership with PACE Business Development Center

The City’s Contractor Development and Bonding Program is designed to assist contractors with their contracting capacity and business growth. You will learn first hand from the City of Los Angeles Departments and also the PACE Business Development Center. PACE is a local non-profit community lender that provides SBA micro and small business loans to meet your business financing needs to grow or fulfill contracts.
