

SMALL BUSINESS LEGAL ACADEMY

June 4, 2026 from 1-2:30 PM

Join Public Counsel and PACE Business Development Center for a free webinar on your legal rights and responsibilities with respect to complying with state and federal disability laws. You will learn what access related issues business owners commonly get sued over related to their physical spaces and websites, how to comply with the law and minimize your risk of being sued, and what to do if you are sued.

The webinar will be followed by an opportunity to meet one-on-one with a lawyer for a free consultation regarding legal issues specific to your small business.
