

Los Angeles Convention Center Expansion Project

Wave 4B Pre-Bid & Prequalification Virtual Event

September 22, 2026

Join the **PCL Webcor Joint Venture (PWJV)** team for a dedicated **Wave 4B Pre-Bid Meeting and Prequalification Virtual Event** connecting trade partners and firms of all sizes, including XBE businesses, with upcoming contracting opportunities on the **Los Angeles Convention Center Modernization & Expansion Project**.

During this virtual session, attendees will learn about upcoming prime and sub-tier contracting opportunities, the Wave 4B procurement process, and the steps required to become prequalified with both PCL and Webcor.

Firms interested in contracting directly with PWJV must be prequalified with both PCL and Webcor. The PWJV team will walk attendees through each prequalification process, highlight key requirements, and share resources to help firms successfully navigate the process.

All interested firms are welcome and encouraged to attend. We especially encourage XBE businesses seeking prime or sub-tier opportunities to participate, connect with the PWJV team, and learn how to position their firms for upcoming Wave 4B opportunities.

During this webinar, we will cover:

- Meet the PWJV Wave 4B Scope Managers
- Upcoming Wave 4B Bid Packages and Contracting Opportunities
- Wave 4B Bid Schedule and Key Dates
- Wave 4B Procurement Process
- Overview of the PWJV Prequalification Process
- What It Means to Be Prequalified
- Required Documentation and Information
- Prequalification Considerations for Small and Diverse Businesses
- Project-Specific Prequalification Requirements
- Understanding Which Requirements May Apply to Your Firm
- PWJV's Internal Prequalification Review Process
- Live Q&A with the PWJV Team

Webinar Details:

DATE: Tuesday, September 22nd

TIME: 1:00 PM – 2:30 PM (PT)

LOCATION: Microsoft Teams

Please register for the webinar using the link below:
